

Music! Benefit Concert to to Help the Reconstruction of the Teatro Cinema Garibaldi in Amatrice

i. l. (September 16, 2016)

A stellar line-up of New York based musicians will perform in support of the cause. Musicians infact decided to devolve the income of fundraising for the victims of the earthquake to the following crowdfunding campaign amatrice for the reconstruction of the Teatro Cinema Garibaldi in Amatrice (one of the small towns the earthquake erased from the map).

The campaign is organized by two associations of Italian jazz musicians: Associazione I-Jazz (<http://www.i-jazz.it/> [2]) and MIDJ-Musicisti Italiani di Jazz (<http://www.musicisti-jazz.it/website/> [3]). It is intended to raise money to help the reconstruction of the Teatro Cinema Garibaldi in Amatrice (one of the small towns the earthquake erased from the map).

The fundraising platform doesn't charge any commission for the earthquake cause. Those who cannot come to Bar Lunatico on 9/17th might contribute directly by clicking on the above crowdfunding campaign link, just adding the sentence: SOLIDARITY FROM BROOKLYN, BAR LUNATICO EVENT
